

## MING/OSCAR – SIDE C

**MING:** Hi.

**OSCAR:** Hi.

**MING:** You look great.

**OSCAR:** You do, too.

**MING:** Like your new hairstyle. *(Pause)* This is Robert.

**OSCAR:** Hi.

**MING:** He's wearing that shirt I got him when we were on the Cape last year. I wonder if it's deliberate. Trying to guilt me or something.

**OSCAR:** Robert is very good-looking. I can see them both naked, making love on the kitchen floor. Our kitchen floor.

**MING:** Nice party.

**OSCAR:** Oh, thanks.

**MING:** I shouldn't look at him too much, otherwise Robert will get funny ideas and then we'll have another drama at home.

**OSCAR:** Let me get both of you a drink.

**MING:** Bet he knows what drink to get me without asking. Habits die hard.

**OSCAR:** I have this sudden urge to kiss him.

**MING:** He has no visible signs of being HIV positive.

**OSCAR:** Why is he looking at me that way?

**MING:** He is a little thinner. But still as handsome.

**OSCAR:** I wish Robert wasn't that good-looking. It would be easier for me to know that he's been sleeping with a troll.
