

**ROBERT/MING – SIDE F**

**MING:** I think we should see other people.

**ROBERT:** What?

**MING:** I think—

**ROBERT:** No.

**MING:** No?

**ROBERT:** We are not seeing other people.

**MING:** I don't understand—

**ROBERT:** We're not—you can't—that's final—

**MING:** I don't think you—

**ROBERT:** Have you thought about this? Have you?

**MING:** Yes.

**ROBERT:** No, you haven't.

**MING:** Yes, I have.

**ROBERT:** Do you want to break up—

**MING:** No.

**ROBERT:** You want to leave—

**MING:** You're not listening.

**ROBERT:** This is exactly how my folks broke up.

**MING:** Let's not get into this again.

**ROBERT:** I wanted us to be different.

**ROBERT/MING – SIDE F**

**MING:** Listen—

**ROBERT:** I can't believe this—

**MING:** We're not breaking up—

**ROBERT:** I thought we were perfect, happy.

**MING:** I'm not saying we should stop seeing—

**ROBERT:** No. Of course not.

**MING:** Nothing's going to change. Nothing.

**ROBERT:** Except you'll be seeing other people.
